January 9 Program - Our speaker will be Mrs. Florence Masters, Associate Head of the Foreign Language Department at Kirkwood College.

Board of Directors meet on Tuesday, January 8 at the Roosevelt.

Our January 2nd meeting featured Marlyce Heidt, Executive Director of the Cedar Rapids Convention and Tourist Bureau. Marlyce came to Cedar Rapids from North Dakota and was previously employed by WMT where she produced and hosted her own show. She has also taught yoga to 1200 people, (but not in one group). Marlyce pointed out that Cedar Rapids has a lot going for it as a convention city and is drawing it's share of meetings from Iowa and neighboring states. Last year, for example, 425,000 people used the Five Seasons complex. There are at present 1200 motel and hotel rooms available for conventions, restaurants capable of seating 6000 people at one time, a variety of entertainment, tours, accessible shopping areas, good transportation to and in the city, skyways, parks, etc. It is anticipated that \$12,000,000 will be spent in Cedar Rapids in 1980 for conventions and special meetings. In June she pointed out the Iowa Republican Convention will be held here. Marlyce is excited about the possibilities of Cedar Rapids and probably summed it up quite well with her closing remark: "We've got it all together." Thanks also to Marlyce, Kiwanians all know that Kiwanis is Indian for "to express oneself" and our motto is- "We Build"!

Guests: Charles Decker was the guest of Wayne Woods. Mike Little was the guest of his father John.

Happy Anniversary Roger Bottazzi wherever you are!

President Wally read a note of appreciation from the Algoma Club thanking the Downtown Kiwanis for their contributions to the Tornado Disaster fund.

Something to consider: (by an anonymous writer)

Age is a quality of mind,
If you've left your
Dreams behind,
If hope is cold,
If you no longer look ahead,
If your ambitious fires
Are dead,
Then, you are old!

Your Editor,
John Little

Program for next week, January 16: What will we do when gasoline goes over \$2.00 a gallon? Are there other ways of getting from "here" to "there"? Answers to these questions and others will be considered by next week's speaker, Dr. David Hammond. He is with the Area Extension Service, a Ph.D. and an economist. His topic will be "Alternate Sources of Energy." Come and be informed!

January 9 Program - January program chairman John Emmons introduced Florence Masters who is in the Language Department at Kirkwood College, and heads up the ESL (English as a Secondary Language) Department. This is a volunteer program to teach people from other countries to write and speak English. For many of the people learning English is a matter of survival. They need it to take a bus, hold a job, go shopping, etc. Since October 1, 205 hours of teaching have occurred through the program. The best preparation for teaching in this area is exposure to other cultures over an extended period of time.

Action by Board of Directors - Beginning with the second quarter of the fiscal year, quarterly dues will be \$25. For people who have paid their dues in advance annually, there will be a special assessment of \$30. Concurrently, the club will pay for room rental and services which will result in the prices of the meal being lowered to \$3.25.*

The Board also accepted the resignation of Howard Smith with regrets.

Dinner Meeting Honoring Mark Smith President of Kiwanis International will be held on the evening of February 16 at the Marshalltown High School. Kweens are invited. More information will follow.

<u>Birthdays</u>	Al Gee	January 8th
	Claude Jones	December 18th (somewhat belated)

<u>Anniversaries</u>	Rick Chandler	-January 6, 1971
	Bill Schneider	-January 10, 1975
	Frank Race	-January 12, 1949

Guest - John Hunkele, new Holiday Inn manager, was the guest of Pytr Knoll.

Bowling Report has our team coming back strong in 1980 taking 6 out of 8.

Recent Presidential appointment - Bob De Meulenaere will co chair membership committee with Mike Stoffregan.

Thanks to Kiwanians from the Salvation Army for raising \$185.00 through the kettles, and from Iowa Shares for a donation of \$174.02. Nice going!

Questions to Ponder - Who said, "For 2%, I'd stay at the Roosevelt and eat"? Will he live to regret it? Will Charlie get his 2% worth? (What is the interest on 2% compounded hourly?)

Your "questionable" editor,
John Little

*This figures out to a savings of about \$13.00 per quarter on the old meal price.

Next Week's Program as announced by President Wally Brown in conjunction with our January Program Chairman John Emmons will be one of a kind. If you miss it, you won't have an opportunity like this again. Although cloaked in security it promises to be the kind of program you all deserve. In the words of one of the above (I've forgotten which) "Y'all come naw, you heah!"

Program for January 16 featured Dr. David Hammond of the Area Extension Service discussing "Alternate Sources of Energy". As announced in this column last week Dr. Hammond does predict \$2.00 gasoline for the present cars we are driving (with the exception of Ed Colton's). Dr. Hammond summed up our problem by saying simply, "We are using most rapidly what we have least of."

Interclub Chairman Ed Colton announced the next Inter Club will be with the Metro Club at Bishops next Thursday, January 24th at 5:30. Plan to attend.

The piano was missing and so was Claude but that didn't stop the "Unsinkable Fran Brown." We never sounded so good!

No bowling report (to speak of) but to quote the Ayotolah, "No news isn't good news but it's better than the truth."

Happy January Birthday to Bob Blinn.

Down with deficit spending! Congratulations to our Veep Kim Steveley who took the inflation bull by the horns and told it like it was! 12 years with no raise in dues was really more than we could expect.

Nebraska-Iowa Banquet - February 16 You and your Kween are invited to a dinner honoring our International President Mark Smith and his Kween Lurline. The dinner will be Saturday, February 16 at the Marshalltown High School beginning at 7:00 PM. Tickets are \$9.50 per person. Let Ed Colton know if you can attend. Interclub credit will be given. The N-I Bowling Tournament also begins on the 16th. Entry blanks are available.

John Little

Happy Birthday to Bill Steadman - January 21.

Congratulations to the bowling team. They're moving again, taking 6 out of 8 points.

Guest - A warm welcome was given to Warren McAllister, a former Downtown Kiwanian who is returning to the club.

The InterClub with Metro Kiwanis will be held next Thursday, January 31 at Bishops Downtown. This was originally scheduled for the 24th but Metro heard we were coming and changed the meeting place. Meet us at Bishops Downtown at 5:30 on January 31.

Marshalltown InterClub - Visit with Kiwanis International President and His Kween. (Travel by bus and save gas, money and nerve wear.) The Marshalltown club will host Kiwanis International president, Mark Smith, and his Kween Lurline at a 7 P.M. dinner in the Marshalltown Senior High School building on Saturday, February 16, 1980. Tickets are \$9.50 per person. We and other Cedar Rapids and Marion clubs are trying to line up enough to take a bus at \$5.00 per person. We need 47 riders. Wally Loft, our Nebraska-Iowa District Governor, is from the Marshalltown club and was formerly a member of our club. Let's support Kiwanis, our club and Wally by joining in this interclub opportunity. Call Ed Colton, 393-9330, to place reservations.

Program for February 6: Programs, arranged for us by February Program Chairman Dick Landis are look-ing-good! February 13th its Marty Kloska telling us about the latest in air transportation in C.R. On the 20th it will be Jim Jorgenson whetting your appetite for sailing in the Carribean. Jim runs a sailing charter service and will show slides. On February 27 it will be Mayor Canney on the "state of the city." With such a lineup, the 6th is bound to be great so come and see.

Program on January 30 featured George Nissen, Joe Lane and Tanya Crevier, all part of the Iowa Cornets organization. Mr. Nissen, until recently, was owner of the team; Joe Lane is in charge of promotion and Tanya is a ball handling wizard who has made T.V. commercials, entertains at half-time and has special programs for High Schools, Colleges, etc.

Mr. Nissen and Mr. Lane reminded us of some interesting facts about Women's basketball:

- the Cornets are the only major league team in Iowa; (they are one game ahead in their division)
- the change in ownership will eventually give more financial depth to the program.
- Cable T.V. will be a big factor in promoting women's sports.
- Five Seasons Center is the best facility in the league.

The star of the program however had to be Tanya who showed us all what ball handling was all about. Tanya was assisted by President Wally, Bob Blinn and Orie Lawrence. What a team!

Next week following the meeting there will be a short meeting of the Farmer's Breakfast Committee. The Farmer's Breakfast is scheduled for March 15. More to come soon.

Board meeting Tuesday, February 5 at noon at the Roosevelt. These are good for make ups, remember.

Marshalltown Interclub honoring our International President is scheduled for February 16 at 7:00. Call Ed Colton at 393-9330 for reservations now.

Kiwanian of the Week was first V.P. Kim Steveley. Kim was born in Chicago near a bowling alley where he worked as a youth. After seeing things knocked down most of his life he decided to get into building instead and went to Houston where he studied architecture, returning to the midwest upon graduation. Kim is with McConnell, Steveley, Anderson where he has been a partner since 1972. Glad you're a part of the Downtown Kiwanis, Kim.

Guest: Bill Jameson introduced his father from Billings, Montana.

Anniversary: Pytr Knoll - January 29, 1978.

Happy Birthday to a somewhat reluctant Dick McConnell.

Our Bowling team took 3 out of 4. Keep up the good work.

John Little

WEEKLY
NEWS
BULLETIN

February 6, 1980

Program for next week, February 13: Our speaker will be Mr. Marty Kloska. His subject will be the latest in air transportation development in Cedar Rapids.

Future Programs: February 20 - A slide presentation of a Caribbean sailing cruise; February 27 - Mayor Canney's "State of the City" address.

Our Program for February 6 was unannounced but a delightful surprise. Our guest, introduced by her neighbor Jim Oetken, was Babs Hagen who was assigned the topic "You Can't Believe Everything You Hear Unless You Can Hear". Shortened, this translates out into "What It Means to Be Deaf" and in Babs case it meant being raised by parents who couldn't hear or speak. Babs surely helped to sensitize us to the uniqueness of being raised in such a home: no radio, no telephone, no doorbell, no conversation, parents who took turns sleeping because they couldn't hear an alarm clock, kids who had to hit one another to get their parent's attention because arguing didn't register, etc. Babs pointed out that deafness is really a five in one handicap and includes: word acquisition, communication, mis-information about deaf people, the "invisibility" of deafness and the least of the five problems, the inability to hear. I think most of us were deeply moved by Babs pantomime of Barry Manilow's "Can't Smile Without You". Thanks Babs for opening our eyes to the problems of people who can't hear.

At a recent Board meeting the resignation of Dick Landis was accepted with regret.

Marshalltown Interclub - Visit with Kiwanis International President and His Kween. The Marshalltown club will host Kiwanis International president, Mark Smith, and his Kween Lurline at a 7 p.m. dinner in the Marshalltown Senior High School building on Saturday, February 16. Tickets are \$9.50 per person. Wally Loft, our Nebraska-Iowa District Governor, is from the Marshalltown club and was formerly a member of our club. Let's support Kiwanis, our club and Wally by joining in this interclub opportunity. Call Ed Colton, 393-9330, to place reservations.

For your calendar: The District Convention will be held in Des Moines on April 25-27.

Farmer's Breakfast - March 15. A worksheet was circulated on Wednesday. If you didn't sign, you will be contacted by Dave Beck or John Ma!

Happy Birthday to: Joe Greenlief, February 5; John Palmer, February 7; and Vern Haaland, February 9.

Happy Anniversary to: Bill Pohorsky, February 5, 1964 and Ed Sandler, February 8, 1978.

Guests: Bill Steadman was host to Dick Stoyles. Jim Oetken's guest was his wife Betty.

Note to committee chairmen: If your committee work requires printing of any sort, please have the printing cleared with Howard VanderSchaaf, our secretary, before having it done.

Fran does have a way with song titles! "Smoke Gets In Your Eyes" and "On Top of Old Smoky" were certainly appropriate.

Your Editor,
John Little

WEEKLY

BULLETIN

February 13, 1980

Program for February 20 - Why not get away from it all for a day? Come to Kiwanis and then sail off to the sunny Caribbean via a slide presentation with Jim Jorgenson sailing charter service. Don Aanestad (who is tops on everybody's list) encourages you also to attend the February 27 program with Mayor Canney. Don says the program is great. Why not plan to bring a guest!

Program for February 13 - Our speaker was Marty Kloska of United Airlines. Marty is a native of Pennsylvania, served as an artillery officer in Korea and joined United in 1967. He is presently City Manager of Sales and Service in Cedar Rapids. Marty pointed out that United is becoming primarily a medium and long range carrier with the majority of their flights being west bound out of Cedar Rapids (with the exception of a midnight flight to Moline). United is counting on Mississippi Valley Airlines to pick up the short flights, particularly to Chicago. They will be using new 30 passenger jets. By the way, if you, like John Palmer, have had trouble getting United on the phone, Marty says that has all changed for the better.

Kiwanian of (last) week was Adolph Helm. (Sorry about that). Adolph is a native Nebraskan, one of 15 children. Adolph punched cows in Colorado and milked them in Nebraska before coming to Cedar Rapids where he joined Kiwanis in 1962. The Helm's have one son and twin daughters. Great to have you in the club Adolph.

Welfare Report - Crie Lawrence is in St. Lukes. He isn't able to have visitors but cards would be appreciated.

Birthdays - Bob Omer, February 10; Dave Beck, February 12.

Let's hear it for the bowling team. They won all 4 and the other team did show up.

If you haven't signed up for the Farmers Breakfast or gotten any tickets, call Dave Beck before he calls you.

Guest - Jack Evans was the guest of Rich Altorfer.

The Interclub to Marshalltown for Saturday, February 16 will leave the McConnell, Steveley, Anderson Parking lot at 4 P.M. on Saturday. Call Charlie McIntyre or Ed Colton if you plan to attend.

February 20, 1980

Program for February 27 - Our guest will be Mayor Canney presenting his "State of the City" address. Don Aanestad, who sneaked off to "another" club meeting and heard the Mayor's message urged everyone to come and also to bring guests.

Program for February 20 featured Jim Jorgenson who did what most of us have probably dreamed of but never dared: took a year off work, bought a sailboat and spent that year island hopping in the Caribbean. Jim and a partner presently have a sailing charter service and would welcome your inquiries. He showed about 30-40 minutes of beautiful slides and for a few minutes at least took our minds off the snow and cold.

Guests: Les Sykora from the Metro Club
Dave Stevens was Ed Sandler's guest
Chet Prevey was Ed Seger's guest

Happy Birthday to Rudy Silvers and Mike Kennedy.

Happy Anniversary to Claude Jones. Claude joined Kiwanis on February 22, 1978.

An Interclub of nine persons attended the meeting at Marshalltown honoring our International President. Interclubbers included Mr. and Mrs. Dick McConnell, Mr. and Mrs. James Oetken, Mr. and Mrs. Robert Gable, Rudy Silvers, Wally Brown, and Charlie McIntyre.

Kiwanian of the Week was Duane Kurrelmeyer. Duane was born in Colesburg (50 miles north of Smuckersville), was in the navy from 1943-47, and has been working for Iowa National ever since. Duane and his wife have two daughters and two grandchildren. His anniversary is 1974, and he is doing a great job as treasurer of our club. Good to have you in Kiwanis, Duane.

Our bowling team has been riding a winning streak now for two weeks - taking all 8 points both times. This past week the guys took on the #1 team in the league and knocked them down to third place. The Kiwanis team is now in a "firm fourth." Total line scores read like this: Fishwild 494, Colton 563, Gravelle 512, O'Brien 518, and Kurrelmeyer 512.

Mr. Don Menning made a special appearance to present a Kiwanis Clock made by Dave Lange of Harding High School as a thank you to Kiwanis for its part in the Industrial Arts Program. The clock will be used by the current president annually.

Your Editor,
John Little

March 5, 1980

Meeting for March 12 - Our guest will be Mayor Don Canney speaking on the subject "The State of the City." Come and bring your friends along (again).

Meeting for March 5 - After V.P. Kim Steveley welcomed us to our 3030th meeting and John Emmons and the boys sang "Home on the Range" and we were promised that the Optimist's bell would no longer sound in our meetings, Dave Beck introduced Phil Katz, a C.A.T. from Coe, (that's Certified Athletic Trainer). Phil expressed his concern for more athletic trainers on a high school level to help prevent serious injuries. Phil served as a volunteer trainer at the Squaw Valley Olympic training camp and showed some slides of the facilities there.

S.T.P. may mean one thing to Mario Andretti, but to General Wayne Mead it translates out Sell Those Pancake tickets. After telling us that Dick Hook was way out in front with 70 tickets, Wayne challenged the rest of us to get out there and sell, sell, sell! March 15 is almost upon us. The time to act is now!

Guest of Jim Oetken was Jerry Kirby.

Good News from 570 at St. Luke's. Orie Lawrence is up and able to have visitors.

Congratulations to C.R. Fahrney who celebrated his 40th year in Kiwanis. (C.R. has 22 years of perfect attendance.)

Happy Birthday to Ernie Kosek, March 3 and Chuck Loomis, March 6.

Board Meeting March 11 at the Roosevelt.

The Bowling Team won 'em all again. They're up in 3rd place and may make it to 1st if the season just lasts long enough.

Kiwanian of the Week - Tom Heabel was born in Des Moines, raised in Cedar Rapids, attended Simpson College and Drake University. Tom and his wife have two children, Lindsay, 11, and Tommy, 6. Tom enjoys tennis, boating and vacations in Florida but would like a return trip this year since both children had chicken pox the first time around. Good to have you in Kiwanis Tom.

Your Editor,
John Little

WEEKLY
NEWS
BULLETIN

March 12, 1980

Program for Next Week - March chairman Dave Beck tells us we will be entertained in a special way by Art Seaman who is Director of the Career Counseling Department at Coe. His topic is "Football Officiating." (Don't let it fool you).

Program for March 12 - Don Aanestad finally came through and Mayor Don Canney's presentation on Cedar Rapids was all we were told it would be and more. Much has been accomplished in the past decade. The future holds a Ground Transportation System, a covered Mall downtown, completed walk way systems, much private development, and (eventually) a freeway to 42nd Street. I think most of the listeners tend to agree with the mayor's closing statement: "No city our size has more to be proud of."

Birthdays - President Wally Brown, March 12; Vic Bock, March 14, and Bob Dye, March 15.

Anniversaries - Clyde Sanborn, March 13, 1932; Don Aanestad, March 14, 1974; Jim Manville, March 15, 1950; John Little, March 15, 1974.

Welfare Report - Orie Lawrence is home from the hospital.

This Saturday March 15 is the Farmer's Breakfast. Preliminary reports will be made as soon as they are available.

Congratulations to the bowling team who won 3 out of 4, and to Al Gravelle who's 259 game helped make it possible.

Guests included R.H. Siegel, guest of Joe Stenner; Fritz Limbacher, guest of Norm Eells; Steve Stramel, guest of Guy Ames; Les Sykora, guest of Tom Heabel; Jerry Kirby, guest of Bob Armstrong; Bill Smith, guest of Richard Hook; and Ray Cooper, guest of Al Gee.

WEEKLY
NEWS
BULLETIN

March 19, 1980

Meeting for next week - Dot Hinman and Tia Kries will present a program entitled: "The Value of Continuing Education in the Community."

Got your Easter Eggs yet? - See Bob Dye or his staff at the YFC office. They have 60 dozen eggs at 30¢ a dozen left over from the Farmer's Breakfast.

This Week's Program featured Art Seaman of Coe College. Art did a great job showing us the referee's point of view of officiating at football games. Art, who is a Presbyterian minister, races motorcycles and owns part interest in a race car. His rule of thumb is: "Call them the way you see them, and, if you make a mistake, admit it."

Special thanks to everyone for a great turnout at the Farmer's Breakfast, especially Dave Beck, Wayne Mead and John Ma. We served a record number this year. Final results cannot be announced until all the money is in, so turn in your ticket money this week.

Congratulations to the Jeff Albertsons: it's a girl! Also to the Jim Manvilles on their wedding anniversary.

Guest - John Erbes, publisher of T.V. Facts, was a guest of Dick Hook.

Anniversaries - Burt Hynden, March 16, 1955; Al Gee, March 16, 1965; Bill Jameson, March 17, 1965; Hugh DeWees, March 21, ?; George Gable, March 18, 1979

Inter-Clubbing - Ed Colton announced an Inter-Club with the Hiawatha Trail Club at Denny's in Marion (near Barlow's) Tuesday, March 25 at 7:00 A.M. with Tom Stoner.

An Inter-Club to Independence will be announced soon.

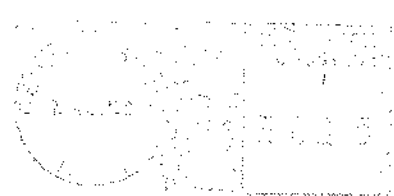

Charlie McIntyre presented a special certificate to the Downtown Kiwanis, thanking us for money to buy books and scarves for the Tyler Girl Scout Troop.

A Speedy recovery to Orle Lawrence at home and to Mrs. Dottie McConnell.

Your Editor,
John Little

Thought for the Week: Those who say it can't be done are usually interrupted by others doing it!

Meeting for April 2 - Del Block, April Chairman, has announced that our speaker for the next meeting will be Bill Wild who will share the aims and purposes of the Metro High School program. The April 9 meeting will feature representation from the Area Boy Scout Council and April 16 our guest will be Jim Lett, new manager of the Cedar Rapids Reds Baseball Team.

Meeting for March 26 - Our guests from Coe College were Dot Hinman and Tia Kries. They explained the Coe program for Adult Continuing Education. The program is an evening one with an "open choice" curriculum enabling persons to earn a degree, up grade skills and/or change vocations. The options are unlimited. If you know of anyone who is interested, encourage them to call Dot or Tia.

Happy Birthday to Walter Schultz, March 29.

Welfare Report - Oris Lawrence continues to improve at home. Dot McConnell made it home from the hospital just in time to commiserate with Dick who has the flu.

Big Band Lovers, Attention! You can get a free ticket to the Big Band night at the Roosevelt on April 4 by attending next week's Kiwanis meeting.

Farmer's Breakfast totals are looking great but some money still needs to be turned in. The winning team will be announced as soon as all proceeds are in. Turn your ticket money into your captain or to Duane Kurrelmeyer.

April Board Meeting is Tuesday April 1 - (no fooling)!

Also at 7:00 a.m. on April 1, an April Fool's Inter Club will be traveling to the Red Rooster at Vinton. (We should leave about 6). Call Ed Colton if you want to go along. Jim Oetken will present the program.

Work Week-end at Wapsie Y - April 19-20. Don Aanestad has 15 guys signed up for a Kiwanis Work Week-end at Wapsie but could use 15 more! You can sign up for Saturday or Sunday or both. Food and lodging furnished. If your kids are old enough to work, bring them. You'll have a chance to sign again next Wednesday.

John Little

Next Week's Program: Program chairman for April, Del Block has announced that next week's program will highlight the Boy Scouts of America.

Program for April 2: Kiwanian Bob Dye introduced our guest speaker, Tony Evans who is speaking this week at the Cedar Valley Bible Church. Mr. Evans is Professor of Homiletics at Dallas Theological Seminary and shared a very interesting presentation of the Humpty Dumpty nursery rhyme. He reminded us that "life is not a puzzle to be figured out but a gift to be enjoyed." He left us with the intriguing question: "What are you doing with what God has given you?"

Steve Aronowitz was Bob Dye's guest.

Word has it that Orie Lawrence is up and about and might make a trial run to the office on Thursday. Sounds great!

An Inter Club consisting of Ed Colton, Rudy Silvers, Jim Oetken, Ed Seger, John Emmons and John Little visited the Independence Club on Tuesday. Jim O. presented an interesting discourse on April Fool's Day. If you've never attended an Inter Club, why not plan to go next time?

Bowling - The team is still rolling. Last week they took 3 out of 4 from the #1 team!

At a recent Board meeting the resignation of Joe Greenlief and Jerry Speicher were accepted with regret.

Wayne Mead declared us all winners regarding this year's Farmer's Breakfast. So far a net profit of \$2236.00 has been realized with hopes of reaching \$2500.00. Bill Jameson was top salesman with 86 tickets and Bill's team was also #1 (has been for three years) with 670 tickets sold. Special thanks to Dick Hook for some great Cable T.V. coverage. A special award will be given next week to all members of the winning team.

Wapsie Y Work Week-end is April 19-20. Call Don Aanestad if you can go.

Kiwanian of the Week - Bob Omer. Bob is a native of Salt Lake City where he attended High School and was a member of the Key Club. He served for two years as a missionary for his church. After graduation from college with a Masters in Health Science, he went to work for St. Luke's Hospital. Bob and his wife have five children. Great to have you in Kiwanis Bob.

John Little

WEEKLY
NEWS
BULLETIN

April 9, 1980

NEXT WEEK'S PROGRAM: Bill Lett - Cedar Rapids Reds Baseball Team

PROGRAM FOR APRIL 9: Kim Steveley introduced our speaker, Terry Flacks accompanied by B. J. Foust and Richard Williams. Terry is Program Director, Hawkeye Area Council, Boy Scouts of America. This week is the 70th anniversary of scouting. In Cedar Rapids 38% of eligible boys are in scouting while the national average is 22-23% also, here 2-3% are eagle scouts while the national average is 1%. Cub Scout B. J. Foust related activities his group has been involved in - K.A.B. (Keep America Beautiful), Pine Derby, Camping etc. B. J. won 1st place in the Pine Derby for the best appearing race car (it was a beaut). He also was Mayor For The Day this year. Richard Williams reviewed what scouting was to him, teaching citizenship, leadership, first aid, responsibility, cleanliness and reverence for the Lord. Almost all of our members have been involved in scouting in one way or other.

GUESTS: In addition to our speaker Don Williams, father of Richard and prospective cub scout Daniel Woods, son of Wayne Woods.

MEMBERSHIP WELFARE: No report is a good report.

BOWLING: Won 1 out of 4, 2/8, 25%, anyway you want to look at it per Rudy Silvers.

KIWANIAN OF THE WEEK: Wayne Mead - Wayne is a real Cedar Rapiidian. Born here as one of triplets, educated here and at S.U.I., two years in the Army jumping out of air planes, very active in civic affairs (and Kiwanis) and now President of a lumber company (Ogden-Adams, ed. note) - as a boy Wayne got a job sweeping floors at the lumber company and now - President! (You can't keep a good man down). Wayne joined Kiwanis in '61 and was the youngest member at the time. He has high praise for Cedar Rapids and I quote "It is the buckle in the Corn Belt". --- Wayne, you are a great Kiwanian!

NOMINATIONS: After two fan fares for J. Oetken by Fran Brown, (had to slow the tempo) Jim announced the nominating committee nominations: 1980-1983 Board Members - Guy Ames, Bob DeMeulenaere, and Mike Wilson, 2nd Vice President - John Emmons, 1st Vice President - Don Anested, and President - Kim Steveley.

FARMERS BREAKFAST REPORT: This next to last report shows a profit of \$2398.33. Looks like we'll make the \$2500. Cake and ice cream enjoyed by the whole club for being winners.

Pres. Brown announced Walter Rech, Marion Club, and George Norris of the Vinton Club have been elected Lt. Governor and Lt. Governor Elect, District 8.

APPRECIATION PLAQUE: From the Salvation Army awarded to Guy Ames, Chairman of the Christmas Bell Ringing project.

BIRTHDAYS: John Little, April 9th.

INTER CLUB: Vinton on April 22, at noon, Make plans.

PROGRAMS FOR NEXT WEEK: Program Chairman Del Block reports plans for two excellent programs for April 23rd and 30th. Bring a friend, a prospective Kiwanian, your Kween (or all of the above!) April 23 will be Bill Wild from Metro Senior High School.

APRIL 16TH PROGRAM -- "TAKE ME OUT TO THE BALL PARK": Del "Slugger" Block introduced our good friend Don Buckheister and new CR Reds Manager Jim Lett from Winfield, West Virginia (population 500 and no stop lights).

Don reports a new "red" stadium, and a promising new 2 year agreement with Cincinnati Reds organization. Cedar Rapids has enjoyed pro baseball since 1891.

Jim has been a member of the Reds organization for four years after playing baseball and football at the University of Kentucky. Jim's total positive approach to teaching baseball will be a great asset to the new CR Reds. Good luck -- and see you at the park!

Burt Hynden April 18th
Duane Kurrelmeyer April 19th

ANNIVERSARIES: Congratulations and many more. . . .

WEEKLY
NEWS
BULLETIN

April 23, 1980

Forecast for April 30 - I can't tell you what next Wednesday's weather will be like but the program promises to be windy and warm with gusts of laughter sprinkled with periods of uncertainty and strong, high pressure systems of opinions and conclusions. As President Wally said our guest is the only announcer in town who will admit he doesn't know what he's doing and enjoys doing it. If you haven't guessed yet, our speaker will be Bill Bailly of WMT.

Program for March 23 - Our guest was Bill Wild, Career Education Coordinator of Metro High School who did an excellent job of explaining the program at Metro (in spite of the mechanical difficulties). Metro takes youngsters who have dropped out of the traditional high schools and attempts to help them further their education in a less structured situation. One of the real successes is the garden program which grosses \$10,000 a year and gives those who participate a real sense of accomplishment. It's good to know there are people like Bill who are willing to reach out to students with this kind of need.

Guest: John Eisenman, a Key Club member and student at Grinnell was a guest of Mike Stoffregen.

Happy Birthday to Rex Schroder.

Kiwanian of the Week was Bill Pohorsky who attended Coe, the University of Iowa and Michigan State and presently heads the Greater Downtown C.R. organization. Bill spent time in the Navy and Air Force Reserve and shook hands with three presidents. The Pohorshys have five children and attend Westminster Presbyterian Church. He sails with Dick McConnell and thanks to John Ma, learned to cook pancakes right this year.

The Inter Club to Vinton was attended by Ed Seger, Verne Haaland, Mike Simmons, Ed Colton and Rudy Silvers. A good group of Kiwanians made it to Camp Wapsie Y. for a work week end. Don Aanestad reported that much work was accomplished and the time was well spent.

Election Results - John Emmons was approved as second Vice President and Guy Ames, Bob DeMuelenaere and John Little were elected to the Board.

The Bowling Team ended the season in 4th place. The guys have done a good job and deserve our congratulations.

April 30, 1980

Meeting for May 7 - Our guests will be two high school students from each of our area high schools along with their parents and guidance counselors for the annual Kiwanis Citizenship Awards program. Each student will receive a savings bond and trophy in recognition of their achievements.

May 14 will feature the Industrial Arts Recognition Program with Don Menning. May 21st our guest will be Lowell Lundstrom.

Program for April 30 - Our guest was WMT's weather man, Bill Bailey. After listening to a chorus of "Won't you (come/go) home Bill Bailey?" he proceeded to tell us he was a gambler and not a meteorologist. The majority of the blame for erroneous forecasting was placed on the world for being such a poor laboratory. Bill's presentation was interesting and we appreciate him taking his time to be with us.

Guests: Terry Becker was the guest of Guy Ames. "Almost" guests were Al Gravelle and Larry Fishwild.

Wally Brown and Charlie McIntyre recently attended the District Convention at Des Moines. Marvin Anderson from Sioux City was presented as the new Nebraska-Iowa Governor. The 1983 District Convention is tentatively scheduled for Cedar Rapids.

The Bowling Season has ended with our team in 4th place. Our team came away with an award for the second highest individual series.

Special Thanks to Tom Herzog for re-lettering our name tags.

Board Meeting for the month is this Tuesday, May 6 at the Roosevelt.

Happy Birthday to Jerry Banes, May 2.

Happy Anniversary (a little late) to Robert Armstrong, April 25, 1923.

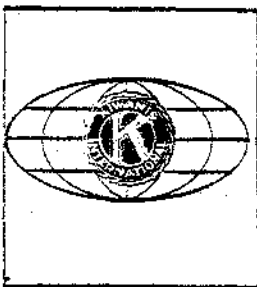

Overheard - "There will always be prayers in schools as long as there are final exams!"

Your Editor,
John Little

WEEKLY
NEWS
BULLETIN

May 7, 1980

Program for May 14 - Always one of the outstanding programs of the year, next week's program will feature Mr. Don Menning from the Cedar Rapids Schools. Don will present this year's winners in the Industrial Arts Recognition Program.

On May 21 our guest will be Lowell Lundstrom of the Lundstrom Crusade scheduled for Cedar Rapids May 18-25.

Program for May 7 - This year's Citizenship Awards Program was indeed outstanding. The presentation of the outstanding students from their high schools by their counselors helped us all to realize the value of this program for the youth of our community. It's always a good feeling to be a Kiwanian but this was a special day for us all. Aaron Randolph did a super job as Emcee.

Congratulations to Mr. Jim Oetken who was recently recognized by the Nebraska-Iowa District as a Distinguished Past President.

Notice of Interclub - If you haven't attended an Interclub this year there will be one going to Waterloo this Tuesday, May 13. The group will leave about 10:30 AM. If you can go, call Ed Colton.

Happy Birthday to C.R. Fahrney, May 7.

Happy Anniversary to Bob Blinn, May 2, 1951; Ernie Kosek, May 5, 1959; Al Gravelle, May 5, 1959; Rudy Silvers, May 10, 1978.

In Recent Board Action the resignation of Ron Bevers was accepted with regret.

Welfare Report - Orle Lawrence continues to recuperate at home.

WorldWide Kiwanis Prayer Week - May 12-17, 1980.

To consider: The exact age of the human race is unknown; but it certainly is old enough to know better!

May 14, 1980

Next Week's Program: We will have Evangelist Lowell Lundstrom as our guest. The Lundstrom Crusade is being held at the Five Seasons Center from May 18th to the 25th.

Our Program for May 14: Our guests were students and their Industrial Arts teachers from six Junior High Schools and three Senior High Schools in Cedar Rapids. Bill Jameson introduced the program and Aaron Randolph served as the interviewer. Items that received awards and that were on display at the meeting included clocks, plates, gun cases, model cars, a cross-bow, and an all steel floor lamp. Don Menning led the group in a tribute to Lloyd Goettel who has served in a variety of ways at Franklin School since 1943. (Ed. note: Does anyone know when the Industrial Arts Awards were begun, etc.?)

Anniversaries:
May 13, 1956 - Ed Colton
May 16, 1956 - Al Bickel
May 17, 1979 - Robert Hanna and Norm Eells

In recognition of Kiwanis Prayer Week Claude Jones read an appropriate Scripture and led us in prayer.

Guests: Rudy Silvers' guest was Dick Jones. Tom Flattery was a guest of Jim Getken.

Interclub to Waterloo: The following Kiwanians received a warm reception at the Waterloo Club this past Tuesday: Mike Wilson, Rudy Silvers, Bill Steadman, Ed Colton, Rick Chandler and Mike Simmons.

You can "tie a yellow ribbon round the old oak tree" and get away with it, but you'd better not hang one on a Kiwanian or it'll cost you. Not to mention inappropriate applause, comments or "jokes". President Wally also paid for forgetting the Industrial Arts Kiwanis Clock.

Think about it: If you realize that you aren't as wise as you thought you were yesterday, you're wiser today.

Your Editor
John Little

21 May 1980

PROGRAM FOR NEXT WEEK: General Singlaub, controversial former commander of U. S. troops in Korea and now with the Grassley Campaign, will be with us. We're promised that this will not be a political talk, but related to Singlaub's falling out with the administration and resultant resignation.

OUR PROGRAM FOR MAY 21: Our guest speaker was Evangelist Lowell Lundstrom who was in the midst of a week long crusade at the 5 Seasons Center. Lundstrom indicated that he enjoyed speaking to Kiwanis groups due to their spiritual values and practices. In an entertaining but also mind-provoking way Lundstrom explained the need for crusades of this nature. He condemned the abolition of formal prayers and the use of the bible in our public schools. He regretted the fact that we expect morality without the formal religious foundation which is necessary for it. The Lundstrom Crusade was being held in Cedar Rapids in cooperation with many of our area churches.

ANNIVERSARIES: May 18, 1970? - John Palmer (no one, including John, seemed to know when he first arrived on the scene).

FELLOWSHIP AND WELFARE: Ora Lawrence has not been feeling well lately. Joe Stenner indicated that Ora still had Kiwanis very much on his mind. George Gable is recovering from a short stay in the hospital.

FORMER KIWANIAN: Bernie Taymans sent us a check for the Farmers Breakfast fund. He regretted that he couldn't be with us.

CLAUD JONES: Leading the singing sure makes a big difference. Thanks Claud!

GUESTS: Dan Schwitters had two guests from South Africa: Barry Roode and John Venter. Bob Rider was the guest of Charlie McIntyre. Captain Seger had as his guest Ted Smith who was in town with the Lundstrom Crusade. Aaron Randolph brought Frank Adkins as his guest.

THINK ABOUT IT: The mind is like a parachute, it functions best when open.

PROGRAM FOR NEXT WEEK:

At press time, our June program chairman was out of town, so the program for next week will be a surprise to all of us. Let's show up and enjoy the good program that Mike has planned for us.

OUR PROGRAM FOR MAY 28:

Our guest speaker was General Jack Singlaub, former Chief of Staff for U. S. Forces in Korea, who is now retired. Currently he is serving with the American Security Council as the Education Field Director. General Singlaub pointed out that he is really down on the present American policy but very much up on the American people. The problems with our foreign policy, he says, center around the word "detente." He went on to point out that this has led to the unilateral disarmament of our armed forces while the Russians have continued to build their military strength. He believes that the future of America lies in the philosophy of peace through strength. He gave us all some very sobering things to think about, and he challenged us that we are the ones who can change the direction of American policy.

In honor of our speaker, we sang "This Land is Your Land" led by Claude Jones.

BIRTHDAYS:

Tom Heabel - May 30; Mike Stoffregen - May 31.

ANNIVERSARY: Jim Luhrs - May 27, 1964.

FELLOWSHIP AND WELFARE: Ora Lawrence is improving slowly.

GUESTS: Greg Hapgood was the guest of Don Aanestad. Bill Tracy came with Charlie McIntyre, and Bob Hall was the guest of Guy Ames. Aaron Randolph brought Bob McAvoy, Doug Stover, Lou Burkhalter, and Ivor Stanley. Mike Stoffregen brought John Eison and LeRoy Corry.

BOARD MEETING: Tuesday, June 3, at the Roosevelt.

WEEKLY
NEWS
BULLETIN

June 4, 1980

Program for next week - Our speaker for next week, June 11, will be a representative from Northwestern Bell. The subject will be "The Use of Laser Beams in Communication."

June 4 Program - Our guest speaker was Mr. Ron Rath of Kirkwood, discussing "Body Language." Mr. Rath indicated that most of us "say" things even when we are not talking - we say them with our hands, feet, eyes, and various gestures. If you are interested in learning more, you might check out a book on "kinesics" (body language) by none other than Ray Birdwhistle. In the meantime, remember: "Every little movement has a meaning all its own!"

Pancake Profits to be distributed. Ten full camperships at \$80 each plus \$200 for partial camperships for both Camp Wapsie Y and Big Brothers was recently approved by the Board of Directors.

Guests - Flying in from Ft. Wayne, Indiana were Walter Newman, Gaylord Mills, Phil Palmer and Bill Weaver. Danny Woods was the guest of his dad, Wayne Woods. John Emmons' guest from Dallas was J.R., better known as Joe Rucker. Lieutenant Governor Jim La Rue was present and made a few brief remarks. He encouraged Kiwanis members to attend Central City's Chuck Wagon Days June 14-15. He also announced the formation of a new Breakfast Club in Cedar Falls. He also encouraged us to get our attendance figures back up. How about it men?

Anniversaries

Gary Samek - June 6, 1979

Bob Larson - June 6, 1979

Birthday

Jim Luhrs - June 3

President Wally read a note of appreciation from a young man who received eye glasses provided by Downtown Kiwanis. This is a continuing program of our club administered by Dr. Jim Downing. Just one more way in which we as Kiwanians are able to serve the youth of our community.

BIG WORDS AND LITTLE ONES
Arthur Kudner, for his son

Never fear big long words.
Big long words mean little things.
All big things have little names,
Such as life and death, peace, and war
Or dawn, day, night, hope, love, home.
Learn to use little words in a big way.
It is hard to do,
But they say what you mean.
When you don't know what you mean,
Use big words -
That often fools little people.
(thanks to Jim Oetken)

John Little

WEEKLY
NEWS
BULLETIN

June 11, 1980

Program for June 18 - The subject is: "Johnny Can Read" and the speaker will be Mildred Middleton from the Cedar Rapids Public School System.

On June 25 Grace Zimmerman will tell us "What's Wrong With the World." (Does she realize she has only 30 minutes or less?)

On June 11 our speaker was Barnie Snoddy, Supervisor of Employment Operations for Northwestern Bell in the Cedar Rapids - Davenport area. His subject was "The Tomorrow Machine." The three building blocks in the machine are: The Electronic Switching System, the picture phone and the touch tone phone. None of these components are exactly new but the way that they are being used now, and will be used in the future, provide some exciting possibilities. (Just imagine putting the cat out and never having to leave your bed!)

Fran and Claude were in their usual top form as they led us down Memory Lane via "A Tavern In the Town" and "Cruising Down the River", favorites of Jim Oetken and Bob Armstrong. (you can decide which is which).

A special welcome to guests Les Sykora, Virgil Peters guest of Dan Schwitters and former Kiwanian Bud Southard, guest of Bob Horick.

Happy Birthday to Bill Jameson, June 8 (see you next week Bill) and Pytr Knoll, June 12.

The Welfare Report indicated that Orie Lawrence is still recuperating at home. Sure will be great to see Orie back at Kiwanis. We all hope its soon.

Kim Stevely, standing in for Wally Brown, read a note from Don Menning thanking our club for it's continuing participation in the Industrial Arts Awards program.

A special collection was taken to help the community of Grand Island, Nebraska, recent victims of a tornado.

Each Gives What He Has

Some people in East Berlin one day took a truckload of garbage and dumped it on the West Berlin side. The people of West Berlin could have done the same thing. Instead they took a truckload of canned goods, bread and milk...and neatly stacked it on the East Berlin side. On top of this stack they placed the sign: Each Gives What He Has.

John Little

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Roosevelt Royale,

Wednesdays,

Incorporated

12 Noon

WEEKLY
NEWS
BULLETIN

June 18, 1980

Program for June 25 - Next week our guest will be Grace Zimmerman with a very interesting subject entitled, "What's Wrong With the World." Grace is a farmer's wife from the Anamosa area.

Program for June 18 - Mildred Middleton, who is head of the Cedar Rapids Schools' English and Language Arts Department, explored the subject: "Johnny Can Read (and Write and Spell). She has been with the Cedar Rapids School system for 22 years and will complete her service next October. Following her "retirement" she plans to travel around the world teaching people to read, write, and spell.

Mrs. Middleton challenged us to think about our own situation as she spoke to us. How many good books have we read lately? What kind of examples are we setting for our children in the areas of reading, writing, listening, (and yes) even spelling?

She also pointed out that Cedar Rapids Schools are way above average as far as student reading ability is concerned and are leading the field in the area of creative writing.

The Cedar Rapids Board of Realtors is sponsoring a Garden Walk this Sunday. Pytr Knoll pointed out that a number of homes will be visited including the Robert Armstrong and Conrad Johnson homes. Cost is \$2.00 per family. For tickets or more information, call Pytr.

Happy Birthday to Jim Manville - June 18.

Father Leonard of the Immaculate Conception Church was a guest of Rudy Silvers.

July Board Meeting will be Tuesday, July 1.

The Board of Directors met following Wednesday's meeting and approved a 94¢ per member contribution to help the new Cedar Falls Rough Risers Club get started. The club was chartered recently and the money will be used purchase some of the equipment that a new club needs.

For your consideration: If you sit down at set of sun
And count the acts that you have done,
And, counting, find
One self-denying deed, one word
That eased the heart of him who heard -
One glance most kind,
That fell like sunshine where it went -
Then you may count that day well spent.

-George Eliot

Your Editor,
John Little

WEEKLY

BULLETIN

July 2, 1980

Program for Wednesday, July 9 - Second District Congressman Tom Tauke will be our speaker. Why not bring your wife, friend, or neighbor as a guest?

Program for July 2 - Bob Omer introduced William Barthel, Co-Director of the Geneological Service Center of the Cedar Rapids Mormon Church. Mr. Barthel spent 10 years in private industry, 25 years with the USDA, and also worked with the Center for Disease Control, in Atlanta. Among 8 patents that he holds is one for an ingredient in "Off" insect repellant.

If you are interested in developing a family tree, he suggested that you check such things as libraries, historical societies, church records, newspaper files (particularly obituaries), old marriage records, burial papers, and county court records. Also, the Mormon Geneological Library on Trailridge Road is open to the public and has much material.

Happy Birthday to: Ron Moore July 2
Robert Armstrong July 4

Happy Anniversary to: Bill Windus July 1, 1974

Guest: Grant Williams, who was once one of our members, and now resides in Pompano Beach, stopped by to say hello.

The Interclub for July 8 is still on. The group will leave the Roosevelt Hotel at 6:00 a.m. and travel to Muscatine for a 7:00 a.m. meeting. (Ed says that Rudy says it can be done.) If you would like to go along, call Ed Colton.

Future Programs: July 16 "The Iowa Shares" Program - a personal report from Thailand from Bob Richards, Administrator, Peoples Hospital in Independence.

July 23 "Recreation and Self-Fulfillment."

July 30 "Family Home Evening - A Program for Strengthening Families."

Your Editor,
John Little

BULLETIN

July 9, 1980

Program for July 16: "The Iowa Shares Program - A Personal Report from Thailand" with Bob Richard, Administrator, People's Hospital, Independence, Iowa.

Last Wednesday's Program (July 9): Second District Congressman Tom Tauke was introduced by Del Block (who insisted he was not running for anything). Congressman Tauke came down hard on the Federal government and feels that the #1 problem in our country today is over-spending on the part of the government. He believes certain things must occur before the U.S. can begin to correct it's course. These include 1. A Constitutional amendment limiting Federal spending to a certain percentage of the Gross National Product. Only a budget based on limited spending will force Congress to prioritize spending. 2. Taxes must be held down and tax cuts that will encourage savings and investments must be instituted; and 3. The work-ethic must be re-vitalized.

Mr. Tauke indicated that there are two philosophies in Congress. One is that the economic "pie" is as big as it will ever get and the government's job is to divide it up. The second philosophy (which he supports) is that the "pie" can grow and that it is the government's job to provide a climate that will allow that growth to occur.

Happy Birthday to Kim Steveley, July 6 and Jim Manville, June 18.

Happy Anniversary to Dave Beck, July 7, 1979 and Del Block, July 12, 1979. (Del originally joined at Sibley, Iowa in 1956 and has 21 years of perfect attendance.)

Rudy Silvers reported that they enjoyed the Inter-club at Muscatine. Breakfast was a buffet on-the-house. Rudy says they had a great time although 15 minutes late. (Watch those left turns Ed)!

Our many guests included Fred Holland, guest of Sandy Batchelor; Pete Compton, guest of Bill Steadman; Scott McCormick, guest of Dave Beck; Stan Jack, guest of Wayne Wood; Max Bartlett, guest of Bill Pohorsky; Dean Metcalf, guest of Bob Armstrong; Kent Milliken, guest of Rich Siewert; and Dave Harrison, guest of Aaron Randolph. Also good to see Clyde Sandborn.

WEEKLY
NEWS
BULLETIN

July 16, 1980

Our program for next week, July 23, is entitled "Recreation and Self-Fulfillment". The speaker will be Char Faris, Director of Recreation at St. Lukes Hospital. The July 30 program is "Family Home Evening - A Program for Strengthening Families".

Last Wednesday's Program (July 16) featured Bob Richard of People's Hospital in Independence who spent four months in Thailand last winter under the Iowa Shares program. The Thai population was almost destroyed but is slowly recovering although under the most trying circumstances. Thailand is the only free nation in that part of the world and so refugees still pour in. Food and water are in short supply. Mr. Richard pointed out that he was proud of Iowa people and their willingness to share with the people of Thailand. I think all of us left the meeting with a deeper appreciation of what we have as citizens of the United States.

Guests: Warren Rogers was a guest of Bob DeMeulenaere
Jim Van Dine was a guest of Rich Siewert
Iris Muchmore was a guest of Bob Omer (even though Bob is on vacation)

Anniversaries: Rex Schrader 7-19-72
Bob DeMeulenaere 7-16-72

Ed Colton was named Honorary Kiwanian of the Week for action over-and-above the call of duty. Ed attended three Kiwanis meetings last week; our own, Muscatine and Hiawatha Trails. Ed was absent Wednesday however. Guess he'd reached his saturation point.

Welfare Report: Word has come that Orie Lawrence is feeling some better. We are all glad to hear that and wish Orie the very best.

Good to have President Wally back at the helm after vacation. His relaxed attitude had him shedding coat and tie, blaming it all on the precedent-setting of Don Aanestad.

Everybody's talking about the weather which leads me to say that probably the last completely accurate weather forecast was when God told Noah there was a 100% chance of precipitation.

See you in two weeks.

Your Editor,

John Little

WEEKLY
NEWS
BULLETIN

July 24, 1980

Next week's program: Family Home Evening, a program for strengthening families, to be presented by Bishop Charles Harvey, Latter Day Saints Church.

This week's program: An interesting program was presented by Char Farris, Program Director for Recreation at St. Luke's Hospital. Her assistant, Theresa McCool, was also present at the meeting. We were first introduced to a simple exercise program that demonstrated that Kiwanians find it difficult to follow directions! A multi-image slide presentation gave us an overview of the recreational programs available for patients at St. Luke's, who seek to provide recreational opportunities for all patients. Recreation is commonly considered anything that brings enjoyment to the individual and is done voluntarily. By 1985, it is estimated that 300 Billion Dollars will be spent by people in the United States for recreation and leisure activities.

Guest: Jack Stevenson was the guest of Rudy Silvers.

No birthdays.

Anniversaries: Tom Herzog - July 25, 1979.

Fellowship & Welfare: Orrie Lawrence is looking good according to members who have seen him recently. Great to hear this news, Orrie!

Musically, "The Yellow Rose of Texas" was sung in honor of John Emmons who is moving back to Texas. We're going to miss John's funny stories and accent at the club!

Thank you, Kiwanis: From Rick Blackwell, Program Manager from the Cedar Rapids Recreation Commission, for our club's sponsorship of a girls' softball team.

Inter-Club: August 12 at Central City.

Nominating Committee members Aanestad, McConnell, McIntyre, and Cetken will be meeting to nominate a new 2nd Vice Presidential candidate to replace John Emmons.

On the lighter side: A young boy was helping his grandfather dig potatoes. After awhile, the child began to get tired. "Grandpa," he asked wearily, "whatever made you bury these things anyway?"

The roots of happiness grow deepest in the soil of service.

Your pinch-hitting editor,

Bob Dye

July 30, 1980

Next Week - August 6th-- Robert M.L. Johnson, former WMT Newscaster, former Mayor of Cedar Rapids, currently State Representative for the 13th District.

This Week's Program - July 30 - Following our opening song and Pledge to the Flag, Ed Seger led us in prayer. Kiwanians seemed to be in good voice as we sang songs about Mary and Daisy and that perennial old time favorite of Bob Armstrong's - "In The Good Old Summertime." Then Wally Brown told a real fish story and Bob Omer let the CAT out of the bag and also announced that our program had been changed. The film was an excellent one entitled "Where Jesus Walked" and is available for showing. See Bob for details.

Happy August 2nd birthday to Frank Race.

Happy Anniversary to Mike Kennedy - July 29, 1942.

The Nominating Committee has presented the name of Mike Stoffregan for 2nd Vice-President, to fill the term of John Emmons.

The resignation of John Emmons was accepted, with regrets, at a special Board Meeting on Wednesday, July 30.

The August Board Meeting will be held on Tuesday, August 5 at noon at the Roosevelt Hotel.

Quotables - "When I was a kid my mother always offered me two choices at mealtime: take it or leave it."

Answer to the high cost of health care: "A self-serve hospital where you can suture self."

Middle age is when a guy keeps turning off lights for economical reasons.

Your roving editor,
John Little

WEEKLY
NEWS
BULLETIN

August 6, 1980

The enclosed list of attendance records for 1979-80 will give you an idea of what your attendance record has been over the past ten months. No matter where you are, your attendance can be improved by October 1st if you attend every meeting between now and then plus a Board meeting and an Inter-Club or two.

Program for August 13 - Program for next week was still in the works at press time.

Program for August 8 - Our speaker was Robert Johnson, State Representative for the 26th District. Mr. Johnson has, in the past, served as Cedar Rapids' Mayor, and Safety Commissioner. Rep. Johnson favors less state and federal taxes and is in favor of local option taxes. He also feels that terms for all state offices should be limited to eight years. He plans to introduce a "one day veto bill" in order to avoid the possibility of by-passing a veto over-ride when the Legislature is out of session.

Craig Anderson was the guest of Kim Steveley.

Happy Birthday to Bob Horick, August 4 and Bill Windus, August 8.

Happy Anniversary to Charlie McIntyre, August 5, 1970 and Mike Stoffregan, August 4, 1976.

That new/old face on the House and Reception committee is Bill Steadman.

Congratulations to Mike Stoffregan who received a unanimous ballot for 2nd V.P.

Our best continues to go to Orie Lawrence recuperating at home and also to Mike Kennedy who is in Mercy Hospital.

The Board recently accepted the resignation of Jerry Schmidt with regrets.

Central City Inter-Club Tuesday evening August 12. Call Ed Colton or Rudy Silvers if you can go.

"To look is one thing.
To see what you look at is another.
To understand what you see is a third.
To learn from what you understand is still something else.
But to act on what you learn is all that really matters..."

WEEKLY
NEWS
BULLETIN

August 13, 1980

Program for August 20 - Program for next week was still in the works at press time.

This Week's Program featured George Hamilton of the Linn County Conservation Commission whose main topic was the Squaw Creek Lake project. He feels the lake is a necessity for Linn County residents particularly since the gasoline problem is tending to keep people close to home. The lake will cover 127 acres, will be 1 3/4 miles long and 1/2 mile wide, and will be ideal for bass and crappies. The commission hopes that a \$1 million bond issue can be passed soon to cover most of the cost, although some supplemental funding will be necessary. Mr. Hamilton urged Kiwanians to support the Squaw Creek Lake project.

Installation of Walter Rech as Lieutenant Governor for Division 8 will be held September 5th at the Longbranch at 7:00 p.m. Governor Marvin Anderson of the N-I District will be present. The cost is \$7.50 per person. President Wally Brown has a sign up sheet.

Happy Anniversary to: Henry Gundling - August 10, 1977 and
Jim Downing - August 13, 1947

Happy Birthday to: Hugh DeWees - August 10
Larry Fishwild - August 15
Rich Altorfer - August 16

Mike Kennedy has been released from the hospital and hopes to be at Kiwanis next week.

A Central City Inter-club was attended by Rudy Silvers, Ed Colton, Charlie McIntyre and Wally Brown.

Overheard: "I used to have trouble remembering names till I took that Sam Carnegie course."

"The real phony is the guy who listens to the radio while eating a TV dinner."

"Just because a man has a lot of irons in the fire doesn't mean he's successful - it may mean he's just given up golf!"

Your Editor,
John Little

Program for Next Week August 27 - Mike Chapman, Gazette Sports Editor will be our speaker.

Program for August 20 - Fran got us off on the right note with "Love Is Just Around the Corner." Wayne Woods then introduced Larry Potton and Merrill Crawford from Kirkwood Community College. Their program centered around the Kirkwood Telecommunications System; a system of video taped programs for instruction in a variety of areas. Up to 800 tapes are requested daily with over 4,000 available to area schools, agencies and industry. The tapes are heavily used and very cost effective. They also have a mobile unit which makes "field trips" possible for students without their leaving the class room. All in all it is an extremely interesting and comprehensive program.

Happy Birthday to: Dr. Fenner, August 18 and Ed Seger, August 19.

Happy Anniversary to Orie Lawrence, August 19, 1931 and best wishes from your fellow Kiwanians.

Need Any Make-Ups? Three chances are coming up real soon. On Tuesday, September 2 there will be an Inter-Club going to Evansdale, leaving Cedar Rapids about 4:30 p.m. for a 6 o'clock meeting there. That same day, Tuesday September 2 at noon there will be a Board Meeting at the Roosevelt. Then on Friday, September 5 Walter Rech will be installed as Lieutenant Governor of Division 8 at 7:00 p.m. at the Longbranch. Governor Marvin Anderson of the Nebraska-Iowa District will be present.

Our new club year begins October 1 so how about adopting the following resolutions:

I will sit at a different table each meeting.....
I will participate in at least two interclub meetings during the year.....
I will earnestly search for a potential member.....
I will be one of the first to volunteer an act of service as a result of
an appeal.....
I will call a friend who has been absent and let him know I missed him.....
I will drop by and visit with a friend who has been ill.....
I will make Key Clubbers, foreign visitors, visiting Kiwanians and guests
feel welcome.....
I will take a minute to let the speaker know I enjoyed his talk.....
I will participate in a least two outside Kiwanis functions during the year...
By serving Kiwanis I will thereby serve my community, my country and my
God to the fullest.....

(From the Downtown Kiwanis Club of Des Moines)

John Little

WEEKLY
NEWS
BULLETIN

August 27, 1980

Program for Next Week, September 3: The topic will be "A New Spirit and a Face-lift in the Czech Community" and our speaker will be Pat Martin, Executive Coordinator for Czech Village.

Program for August 27: Our guest was Mike Chapman, Sports Editor for the Gazette. After a near miss by a semi and a power failure at home, Mike must have wondered if he should have stayed in bed. But, having arrived, Mike did a great job getting us all excited about the fall sports program. After predicting Ali would lose to Larry Holmes and Iowa would win 6 and lose 5, he waxed eloquent on the theme "What it means to be a Hawkeye." Mike pointed out that the #1 trait needed in a football player is desire. He also blamed "the pressure to win" for much of the cheating that is going on in the college ranks today.

Bob Dye's guest from New York was his nephew Merl McGinnis.

A Lot of Happy Birthdays! Del Block (belated) on the 12th; Sandy Batchelor on the 24th; Al Bickel on the 25th; Clyde Sanborn on the 26th and Aaron Randolph on the 27th.

Happy Anniversary also to Sandy Batchelor - August 26, 1964.

Our Bowling Team has returned for another season. New Kiwanis members: if you would like to be on the team call Ed Colton or Larry Fishwild. The team bowls every Monday evening at 6:00 at Lancer Lanes.

Kiwanians - do you know where your K pin is? A bunch of guys didn't and as a result, Bill Jameson collected \$6.25 in fines.

Board Meeting on Tuesday, September 2 at noon at the Roosevelt.

Evansdale Interclub is Tuesday, September 2. The group will leave from Ed Colton's office at 4:30 p.m. for a 6 o'clock meeting.

Lieutenant Governor To Be Installed: Walter Rech will be installed at the Longbranch at 7:00 p.m. on Friday, September 5. See President Wally for sign-up sheet and details.

WEEKLY
NEWS
BULLETIN

September 3, 1980

Program for September 10 - Tom Redford, Chairman of the Cedar Rapids Chamber of Commerce will be our guest. His topic will be "Air Travel Service Improvements for Cedar Rapids."

Looking Ahead - On September 24 our guest will be Dr. John J. McKetta, Professor of Chemical Engineering at the U. of Texas. His subject will be "The U.S. Energy Problem." Dr. McKetta is a much sought-after speaker and we are fortunate indeed to have him in the Cedar Rapids area. Plan to bring a friend.

Program for this week, September 3 featured Pat Martin whose topic was "A New Spirit and Face Lift For the Czech Community." Pat is Coordinator for Czech Village Inc. and is director of the re-development program. She pointed out that since 1972 a dramatic turn-around has occurred in terms of a new look for the Czech community. She reminded Kiwanians that this week-end, September 5-7 the 7th Annual Czech Village Festival will be held complete with a raft race, polka party, bingo, Czech arts and crafts and a kolache eating contest (would you believe the record is 24 in 2 minutes?).

Happy Birthday to Henry Gundling on September 5 and Happy Anniversary to President Wally Brown on August 31, 1970. Good to hear also that Orie Lawrence is continuing to improve.

Did you know that one of the ways Downtown Kiwanis raises funds for youth services is through gum-ball machines? If you see an empty machine call the McConnell, Steveley, Anderson number at 363-2695 and report the location of the machine.

An Interclub composed of Ed Colton, Rudy Silvers, Del Block and Bob Rush visited (and out-numbered) the Evansdale club last Tuesday. Sounds like the trip itself may have been the high-light of the evening. Rudy says that he blinked once and missed Independence altogether. On the way back they took the scenic route and visited Urbana, Shellsburg and a couple of local farmers.

The only exercise some people get is jumping to conclusions, running down their friends, sidestepping responsibility, dodging issues, passing the buck and pushing their luck!

Your Editor,
John Little

Program for next week, September 17: The Kiwanis Program for next Wednesday is by Robert Armstrong and Penny Binger. The subject is "Yes For Less", and according to Ron Moore it has "something" to do with taxes.

This week's Program featured Tom Redford, president of the Cedar Rapids Chamber of Commerce. His subject: "Airline Service to Cedar Rapids." He pointed out that the three major problems affecting service in our community are: 1. Fuel prices have increased drastically, 2. Traffic level is on the decline, 3. A fare-war resulting from government de-regulation.

On the brighter side, United will resume a late evening flight from Chicago, Ozark flights to Minneapolis and Chicago as well as Western flights will soon be improved, and MVA will continue with their same number of flights in and out.

Happy Birthday to Norm Sells on September 11.

Guests: Rudy Silvers' guest was Dennis Brachich. Bob DeMuelenaere's guest was Warren Rogers.

Interclubs - Next Tuesday at 12:15 with the Eastside Kiwanis at the Town House. We out-numbered the Evansdale 3, surely we can out-number the Eastside 7.

A new Kiwanis Club, the Vinton Daybreakers, are having a special Charter Night on Thursday, September 25 at 6:30 p.m. at the Vinton Country Club. Cost is \$8. See President Wally if you wish to attend.

Charlie McIntyre, Ed Colton, Wally Brown, Howard Vander Schaaf, John Little, and their Kweens attended the Installation of Walter Rech last Friday. Among other things we learned that the real meaning of Kiwanis is: "We have a good time, we make noise."

Bowling Report - The Kiwanis Keglers socked it to their opponents and won everything.

Wayne Woods is planning to run around - the Kirkwood track that is. And he is looking for sponsors. The cause: Student Scholarships. If you haven't signed up already, Wayne will see you next week.

Did you know? The Kiwanis Motto is "We Build", and there are 300,000 Kiwanians in 80 countries.

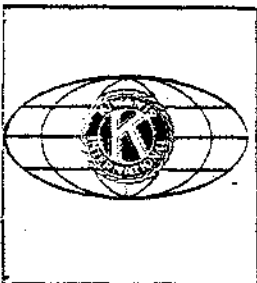

Reminder: On September 24 our special guest will be Dr. John J. McKetta - an energy specialist from the University of Texas.

Your Editor,
John Little

September 17, 1980

Program for September 24 - Our guest, from the University of Texas at Austin, will be Dr. John J. McKetta, Charter Member and Director of the National Council for Environmental Balance Inc. Dr. McKetta has been engaged in environmental work practically all of his professional life. In 1962 he held the highest honor of his profession when he was elected the National President of the American Institute of Chemical Engineers and in 1976 was honored as "The Outstanding Engineer Educator in the U.S.A." He will address Kiwanians on the subject of the U.S. energy problem.

Program for September 17 - Our guest speaker for the day was Penny Binger who expected to be one-half of the program but ended up doing "the whole thing" since Bob Armstrong was unavoidably detained. Penny, who is Chairman of "Iowans For Tax Relief" did an excellent job. Her main thrust was the need for an Iowa Constitutional Convention to put a constitutional limit on Iowa taxes. She pointed out that the state budget is ten times larger than it was 20 years ago. A tax limit would let government grow but at a slower rate than the income of Iowans. Taxes would be allowed to grow only 9/10 as fast as personal income. Iowans for Tax Relief encourage you to vote Yes on November 4.

Happy Birthday to Ed Sandler, September 16 and Jim Downing, September 20.

Happy Anniversary to Joe Stenner, September 16, 1929 and Ed Seger, September 17, 1975.

Guests included Kathy Visser whose host was Wayne Woods; Tom Pangborn, guest of Don Aanestad; and Josh Stevenson, guest of Rudy Silvers. (Kathy will participate in the Kirkwood Jog-a-thon and is looking for sponsors.)

There were eleven Downtown Kiwanians at the Interclub at the Towne House last Tuesday.

Congratulations to the Kiwanis Bowling Team members who again took all the marbles! (Excuse the "mixed metaphor").

Six Rules For Family Planning

3. Reorganize your plans
4. Talk to your wife
5. Forget the whole thing
6. Talk to yourself

BULLETIN

September 24, 1980

Next Week - October Program Chairman, Jim Swain announces that the October 1 speaker will be Joan Miller discussing "what's wrong with the Equal Rights Amendment."

Program for September 24 - Our guest was Dr. John J. McKetta, University of Texas, whose subject was, "Extremism and the Environment." In his opening remarks he indicated that the U.S. was in a real mess and that "we have a mortal wound, self-inflicted." In his opinion one of the biggest problems is the goal of zero-pollution. He compared the environmental protection emphasis to a fire, which originally was started for the right purpose but is now burning out of control and will eventually destroy the very thing it was meant to protect. He also indicated that although Congress could correct the situation it will not because it is not "politically expedient."

Guests included Greg Kingery and Pat McPartland, guests of Jim Oetken; Sam Cooper, guest of his grandfather Robert Armstrong; Ernie Tippe, guest of Chuck Loomis; and Robert Johnson and Dave Justice who were guests of Del Block.

Happy Birthday to us! Yes Kiwanis celebrated its 60th birthday complete with cake and candles (special thanks to Rapid Graphics). Happy Birthday also to Ed Colton, September 25, Al Gravelle, September 27 and Joe Stenner, September 29.

Anniversaries were also celebrated by Ed Capesius, September 26, 1979 and Kim Steveley, September 27, 1972.

Bulletin Revisions will be made soon. If your address or telephone number needs to be changed, call 366-2679 and report those changes to Ruth.

Keep At It- "When nothing seems to help, I go and look at a stonecutter hammering away at his rock perhaps 100 times without as much as a crack showing in it. Yet at the 101st blow it will split in two, and I know it was not that blow that did it, but all that had gone before." (Jacob Rus)

John Little

EDITOR: JOHN LITTLE
October 1, 1980

Program for next week, October 8 - Our guest will be Michelle Andorf, a representative of the Mentally Retarded Citizen's Advocacy group.

Our program for October 1 featured Joan Miller representing the Anti Equal Rights Amendment position. Her objections to the ERA include: 1. The results are more far-reaching than implied on the face of it; 2. It would "open the door" to homosexuals; 3. It would make abortion-on-demand a reality and call for Federal funding in this area; 4. High school sports programs could no longer be segregated on the basis of sex; and 5. Equal rights are already guaranteed to women by the Constitution. During the question and answer period a request was made of the Program Committee to provide time for proponents of ERA to present their side also sometime before the election.

Changing of the Guard - President Kim Steveley took over the helm for the 1980-81 Kiwanis year. Special thanks to Past President Wally Brown for an excellent year.

Anniversary - Bob Omer, October 1, 1978. We were sorry that Bob also used this occasion to announce that he would be leaving Cedar Rapids soon and that this was his final meeting with the club. Kiwanis members expressed their appreciation for Bob with a standing vote of appreciation.

Board Meeting Tuesday, October 7 at noon.

Guests included Greg Kingery, guest of Wally Brown; Forrest A. Stump and Sam Cooper, guests of Robert Armstrong. (Forrest's card read as follows: "My name is Forrest A. Stump, I lived at Walnut Grove in Redwood County, near Plum Creek, a mile and a half from the Cottonwood River. Had a neighbor named Knott, was married by a minister named Grove at Redwood Falls. I have three branches (boys), nine twigs and five twiglets.")

We were also happy to welcome our new Lieutenant Governor, Walter Rech.

"Learning to deal with your problems is a lot like learning to ride a bike. The sooner you get your mind off yourself, the sooner you'll begin making headway. And you can't learn how to ride a bike by reading a book. Sooner or later you must mount the bike and start pedalling."

WEEKLY
NEWS
BULLETIN

October 8, 1980

Editor: John Little

Meeting for October 15: Dr. Joseph E. McCabe, President of Coe College since 1967 will be speaking to Kiwanians and their guests. Dr. McCabe is considered one of the top presidents of private colleges in the United States. His subject will be: "6 and 12, A Proposal to Strengthen the American Political System." All Kiwanians are urged to come and bring a guest.

October 8 Meeting: The meeting last week was attended by 31 members and 2 guests. (Yes Virginia, it's really true that we have almost 100 members!) Speaker for the day was Michelle Andorf, a representative of the Mentally Retarded Citizen's Advocacy Group from Linn County. She showed a slide presentation highlighting what the MRCA is trying to do indicating that their primary goal is to match many of the 5,000 mentally retarded persons in our county with a responsible adult. Mental retardation affects 1 out of every 3 homes in Linn County. 75% to 80% of the persons who are mentally retarded are capable of being self-supporting if given the opportunity.

Guests: Gregg Kingery was a guest of Wally Brown. Bob Horick was host to Scott Robinson.

Special Welcome to new member Warren Rogers and to Warren McAllister who has been a member of Kiwanis in the past and is rejoining as a Senior Member.

Anniversaries: Aaron Randolph - October 7, 1976 and Vern Haaland - October 10, 1970.

Bowling Team On Top! The K-team won 3 out of 4 points last Monday and are now in first place. Hang in there guys - I want to be able to write the same thing next Spring!

B.A.T. ☐

Breathilizer Attendance Test: Hold the square six inches from your face and breathe on it. If it turns green, see your dentist. If it turns blue, see your doctor. If it turns black, call the undertaker. If there is no change in the color, you are perfectly normal and will be expected to attend next week's Kiwanis meeting!

Special thanks to Bill Steadman for taking notes this week. (JWL)

Don Aanestad, October 15
Mike Wilson, October 18

Congratulations to our bowling team who continue to sail along in 1st place.

Special Welcome to Greg Kingery, our newest new member.

Guests included - Bob Thiersch, guest of Don Aanestad; Dean Metcalf, guest of Bob Armstrong; Jerry Brandon, guest of John Little; Frank Atkins, guest of Aaron Randolph; and Gary Criddle, guest of Jim Swain.

Program for October 15 - Bob Armstrong introduced (and gave equal time to) Dr. Joseph McCabe, Chancellor of Coe College, whom Bob said gave the school a colorful history. (He wasn't sure whether it was black or red). Dr. McCabe's subject was "6 and 12; A Proposal to Strengthen the American Political System." The 6 and 12 stood for a proposed 6 year limit for the presidency and a 12 year limit for Congress. It is Dr. McCabe's contention that most governmental excesses originated when terms of office became unlimited in length. The number one concern for politicians is re-election and this takes up too much time and energy for them really to be effective. If their terms were limited, they could concentrate on doing a good job.

Pertinent Political Palaver -

"I'm 100% in favor of progress," said the politician, "It's just all this change I'm against."

If Con is the opposite of Pro, what is the opposite of Progress?

A politician is a man who never met a tax he didn't like.

A smart politician is one who never throws his hat into the ring until he knows which way the wind is blowing.

Meeting for October 29 - Our guest will be Martha Ferring who will speak in favor of the Equal Rights Amendment.

On Thursday evening, October 23 the 1980-81 Kiwanis officers were installed at the Longbranch. They include: Kim Steveley, President; Don Aamstad, Vice-President; Howard Vander Schaaf, Secretary; Duane Kurrelmeyer, Treasurer; and Wally Brown, Past President. Speaker for the evening was Tom Ecker. Details will be included in next week's bulletin.

Meeting for October 22 - Our speaker was Bud Callahan who brought us up to date on the new Hawkeye Arena at the University of Iowa. He announced that the fund drive should be completed by December 1. Grading on the project is almost completed and the actual construction should begin soon. Total price tag on the Arena will be over 22½ million dollars which includes remodeling the present field house and Finkbine Field. Construction should be completed by the fall of 1982.

When asked about the football team at IU Bud described the problem with one word, pressure. He feels they are trying too hard and that last week's win was crucial in that it will help them to relax and play better ball.

Kiwanians were saddened to hear of the death of former Kiwanian Larry May who passed away on Wednesday, October 15. He had retired from Iowa-Illinois Gas and Electric in 1970.

Accepted with Regrets: the resignation of Mike Simmons and Dick Hook.

Happy Birthday to Ora Lawrence, October 22 and Bob Gable, October 13.

The Bowling team took one game from the Rotarians, which resulted in slipping out of first place. It was fun while it lasted. We'll look for a come-back next week.

Welcome to our newest new member - Frank Adkins who is with the Hawkeye Council of the Boy Scouts of America.

New Trend Starting? Whistlin' Jim Oetken and his men electrified us all with their flawless rendition of one of the golden oldies. Service Club Olympics, here we come!

Program for Next Week: On November 4 our program from Kirkwood College will include "scenes from Kirkwood's Fall Drama Production" plus a report from the Kirkwood Basketball Coach, Stan Jack.

Program for October 29: Martha Ferring, speaking for the Equal Rights Amendment, pointed out that in the area of retirement and insurance plans, women are still being discriminated against. The passing of the ERA would correct those discriminations, among others.

Welfare Report: Howard Smith is in St. Luke's as a result of a recent heart attack.

Happy Anniversary to: Robert Horick - October 31, 1979
Tom Saxon - October 30, 1978

Guests: Sam Cooper was the guest of Robert Armstrong.

On Thursday, October 23 the 1980-81 Kiwanis officers were installed by our District Lieutenant Governor, Walter Rech. Past President Wally Brown presented the Kiwanis Clock to President Steveley. The clock was originally given to the Downtown Kiwanis Club by Tim Lang, one of the participants in the Kiwanis Industrial Arts Awards programs. Tom Ecker, speaker for the evening, delighted Kiwanians and their Kweens with his presentation.

Thanks to Howard VanderSchaaf for this weeks notes.

WEEKLY
NEWS
BULLETIN

Editor: John Little
November 5, 1980

Program for Next Week - Lindale Mall Manager, Denny Walters, will speak on the expansion and remodeling of Lindale Mall. There are presently 85 shops in the Lindale area.

A drawing for a pocket calculator will be held next week. All Kiwanians names will be included but you must be there to win. If you don't attend Kiwanis, you'll be a loser in more ways than one!

What do Aanestad, Brown, Fahrney, Gundling, Jameson, Kurrelmeyer, McConnell, McIntyre, Oetken, Pohorsky, Silvers, Steadman, Steveley, Swain, Wilson, Woods, R. Gable and McAllister have in common? Perfect attendance for the month of October!

Guests: Bill Kendall was the guest of Dick McConnell.

Welfare Report: Howard Smith was back in his office for a brief period this week.

Happy Birthday to Bob Rush (it's next week, but Bob won't be here.)

Welcome Aboard to Warren McAllister, Warren Rogers and Rich Siewert. Thanks to Charlie McIntyre for a fine induction ceremony.

Board Action - Sherwin Taradash's resignation was accepted with regrets.

Good News! A new Circle K club is being formed at Kirkwood and will begin meeting next week. More information will follow.

Happy Anniversary to: Tom Saxton, November 8, 1978 and Larry Fishwild, November 6, 1973.

The Program for November 5 came in two parts: Part one was from a Kirkwood Drama production featuring two fine young actors from Kirkwood doing an excerpt from "Luanne Hampton etc." The second part featured Stan Jack, Athletic Director at the college. He told us about the forthcoming new gymnasium at Kirkwood which they are hoping to have ready for use by next winter's basketball season. He encouraged Kiwanians to attend as many of the 11 home games as possible this year.

Downtown Kiwanis recently received a note of appreciation from the Tyler Girl Scout Troop for our participation in sponsoring the club. Kiwanian Charlie McIntyre has served as a contact person with the club and his participation was much appreciated. This is just one of the many ways that Kiwanis seeks to help the young people of our community.

WEEKLY

BULLETIN

November 12, 1980

Editor: John Little

Program for Next Week, November 19: Our guest will be John Hallberg, Consumer Protection Agent with the United States Post Office, Milwaukee Division.

Program for November 12: In the absence of President Steveley and under the capable leadership of First V.P. Don Aanestad, the club "carried on" in the best Kiwanis tradition. We began with some ethnic songs, namely "Waltzing Matilda" and "Dixie" (in honor of John Emmons) and then listened to Denny Walters tell about the Lindale Mall.

Lindale has a million square feet of store space. Of it's 85 shops, 41 are local owned. The Mall is under the direction of General Growth Corporation, a Cedar Rapids organization.

Denny pointed out the need for balance and variety in any Mall and indicated that Lindale has a good selection of shops including an unfinished furniture shop (first of it's kind in a mall) and an imported toy store.

Salvation Army Bell Ringing Day for Kiwanis is Friday, December 19, from 9 to 9 (stores are open till 9:00 in December). Two or three men are needed for each hour so be sure and plan to participate. Sign up next week.

Guests: Bill Steadman's guest was Leonard Fox and Bill Jameson's guest was Bud Byrne.

Anniversaries: Bob Dye - November 10, 1971 and Jerry Baner, - November 12, 1965.

Welcome to new members Frank Atkins and Greg Kingery.

More Good News: The Bowling team won 'em all again and are back on top of the heap.

Hard-to-Explain Category: The first drawing for a pocket computer occurred this week. Don Aanestad asked Tom Herzog's guest Denny Walters to draw a winner. The first name, Walter Schultz was absent and the second name drawn by Tom Herzog's friend was ... Tom Herzog. (Ed. note: Tom later told me he met Denny at a Bible Study group!).

I understand a local college has a cross-eyed javelin thrower. He doesn't win any medals but he sure keeps the crowd on their toes.

Yogi Berra said it: "You can observe a lot just by watching."

WEEKLY
NEWS
BULLETIN

November 19, 1980
Editor: John Little

Program for Next Week - A Thanksgiving Program will be presented by Ed Seger and John Little. Kweens are invited to attend.

Meeting for November 19 - Ed Colton led us in "America" and Al Gee had the Invocation. Our speaker for the day was John Hallberg with the Milwaukee Postal Inspection Service. His organization is the oldest Federal investigating body today and employs about 2,000 men nationwide. Their biggest task is investigating mail fraud which cost U.S. citizens about \$60 billion last year.

Typical of the frauds his agency has investigated are such things as a Texas land scheme, the illegal purchase and resale of 2½ tons of tennis balls, pornographic film sales, a special reducing "uniform" which consisted of plastic pants to which a vacuum cleaner hose could be attached, etc. etc.

Bob Hart, from the Cedar Rapids Post Office introduced the subject of the nine digit Zip Code. It will be started in Cedar Rapids in 1981.

New Circle K - There are presently 19 charter members in the Circle K club at Kirkwood College. The club which was organized with special help from Wayne Woods will have a Charter Party on January 8, 1981. Time and location of the meeting will be announced.

Kiwanis Bell Ringing is scheduled for Friday, December 19th in front of Killians. Response has been good but more help is always welcome. See Jim Oetken or Bill Steadman next week.

Happy Birthday to Jim Oetken, November 17 and Rick Chandler, November 19.

Our Bowling Team - What can I say? There is nothing funny about a team that won 6 points and is 7 points ahead of it's nearest competitor. By the way, the team has a 160 average!

Christmas Program - Mike Stoffregan announced that there will be a special Christmas musical on December 19 to which all of the Kweens are invited also.

WEEKLY

BULLETIN

November 26, 1980
Editor: John Little

Programs to Come: On December 3 our guest will be Dan Breitbach, the new basketball and tennis coach at Coe College who will explore the future of these two sports at Coe.

On December 10 John Thomas of McGladrey, Hendrickson and Co. will explore "Year-End Tax Planning and Proposed Tax Changes in 1981."

On December 17 we will have a special holiday musical program.

Note to Board Members: The December Board meeting will be held on December 9.

A number of guests were in attendance on Wednesday the 26th. They were: Bill Ensign, Les Sykora and Ron Peterson of Metro Kiwanis; John Davidson, guest of Norm Eells; Marty Willman, new Circle K President and guest of Wayne Wood; Captain Lee Seger, wife of Captain Ed Seger; Betty and Mike Little, wife and son of John Little; Dr. Paul Dusek and Sam Cooper, son-in-law and nephew of Bob Armstrong.

Happy Anniversary to Tom Heabel, November 23, 1972.

Happy Birthday to Charlie McIntyre, November 27.

Congratulations again to a red hot bowling team that is nine games out in front of it's nearest rival, having swept all games again this week.

Thanks: Fran Brown wishes to thank whatever powers might be for restoring what was once a topless piano. At least now she has somewhere to put her coffee.

Friday, December 19th is the day for Kiwanis Bell Ringers to do their thing at the Killian corner. A schedule will be printed in the December 10th bulletin to remind you of the exact time you are scheduled. We've got a good day and a possilbe shot at the big trophy, so let's go!

The Circle K Charter Party has been re-scheduled for Tuesday, January 6th. Plan to be there if you can and support the new Circle K club.

Program for November 26: Captain Ed Seger and John Little reminded Kiwanians of their rich heritage and urged them to express their thanks-giving and praise for the blessing that are ours as citizens of the United States. Surely we can "praise God, from whom all blessings flow."

WEEKLY
NEWS
BULLETIN

December 3, 1980

Editor: John Little

December Programs: Next week, December 10, John Thomas of McGladrey, Hendrickson and Co. will discuss the subject "Year-End Tax Planning and Proposed Tax Changes in 1981."

On December 17 the Kennedy High School Choir will present a special Christmas program. Kiwanis Queens are invited to attend.

Note to Board Members: Board will meet Tuesday, December 9.

Reminder to Bell Ringers: Our day for the Salvation Army is Friday, December 19 at Killians. The schedule will be published next week.

Circle K Charter Party - January 6. Details will follow.

Guests: Dennis Walters was a guest of Tom Herzog. Angie Turner, advisor for the newly formed Circle K Club at Kirkwood, was the guest of Wayne Wood. Angie announced that the Circle K has a project already of providing food for needy families during the holiday season. Kiwanians were asked for a \$1.00 donation which purchased a ticket for a drawing. Two turkeys will be given away on December 22. During the proceeding, the great McAllister-Colton Wager was finally settled out of court.

It wasn't easy but we finally got the bowling results for this week. The old no-news-is-good-news theory took a nose dive along with the team who lost all their points. Too much turkey maybe. But we are expecting a comeback. The team has had a great year and we're glad they represent us.

Anniversaries: Clarence Fenner - November 30, 1933 (Congratulations Doc for a lot of perfect attendance years).

Jeff Albertson - December 5, 1978

Dick Nemec - December 5, 1978

Bob Klima - December 6, 1978

Happy Birthday to Jim Swain, December 6.

Program for December 3: Fran started us off with some "dashing" and "decking" and a lot of "fa-la-la-ing" to remind us of the season and then we listened as Coe coach Dan Breitbach talked of more serious matters, including basketball and tennis. Dan reminded us that Coe was #1 in the nation in 1966 but has had problems since then. The present team has a lot of potential but still lacks the confidence that comes with having a winning season. He is concerned that Coe have a good local recruitment program. He not only hopes to tap some of the local talent but also would like to create more interest on the part of local fans.

Dan reminded us that winning isn't the bottom line but a winning attitude is.

HEAD TURKEY raffle ticket pusher Wayne Woods distributed more tickets for the Circle K Club. Proceeds will be used to purchase food baskets for needy people.

Kiwanians gave a standing ovation to long time member Robert Blinn who will be leaving for Sun City West in Arizona. Bob will be missed by us all but we wish him the very best.

Happy Anniversary to: Aaron Randolph - December 12, 1976
Don Sales - December 13, 1978

Guests: Laverne Flagel was a guest of Dick McConnell; Joe Kaider was a guest of Frank Adkins; Dean Metcalf was Bob Armstrong's guest.

Program for December 10: It took awhile but Rick Altorfer finally got to introduce John Thomas of McGladrey, Hendrickson and Co. John, who was formerly an IRS man gave us some insightful looks into present tax laws and some proposed changes for 1981.

Six Good Men are wanted, not by the Marines, but by the Circle K Club for a January 16th Benefit Dance. If you can help, contact Wayne Woods.

Bowling Report: Kiwanis Bowlers are hanging tough. They took 3 out of 4 of their game points which, according to one of our local math experts, is close to 75%.

New Board Members recently appointed are Jim Swain and Rex Schrader.

Roosevelt Royale,

Editor: John Little
December 17, 1980

Our next two Wednesdays are December 24 and 31, the day before Christmas and the day before New Years. No programs are planned for those two days, but meetings will be held and attendance taken. So you are encouraged to attend for food, fellowship and discussion of business items etc. See you there!

Future Program Chairmen are: January-Claude Jones, February-Bill Jamison, March-Bill Steadman, April-Rich Siewert, May-Aaron Randolph, June-Ed Capesius, July-(chairman still needed-call Mike Stöffreagan if you can help), and August-Pytr Knoll. If you have ideas for a future program, why not give one of these gentlemen a call?

Our Christmas Program was superbly presented by the Kennedy High Concert Choir under the direction of Douglas Cox. Kiwanians and their Kweens enjoyed and appreciated the efforts of these fine young people. (Our own Fran Brown was the proud mother of one of the young ladies who sang.

Happy Birthday to Howard Vander Schaaf, December 16.

Happy Anniversary to: Ron Moore, December 15, 1965
Wayne Mead December 22, 1961

Guests for December 17 included a number of Kiwanis Kweens as well as a number of representatives of the Circle K Club.

Wanted: 5 or 6 Turkeys-To-Go drivers. The Circle K will be delivering a number of food baskets to needy families on December 22 and need some help. If you can drive call Angie Turner at Kirkwood or Wayne Wood.

*Merry Christmas
to each of you.*

Our speaker for next week, according to January Program Chairman, Claude Jones, will be Bill Stewart, President of Kirkwood College.

The Circle K Charter Night will be held this Tuesday evening, January 6 at Kirkwood's Iowa Hall at 7 PM. You are invited to attend. For further details, call contact Wayne Woods.

Happy Anniversary to Bob Gable, December 29, 1954

Happy Birthday to Ray Vaughn, December 30. (We'll serenade Ray next week)

January Board Meeting this Tuesday at the Roosevelt at noon.

Attendance the past two weeks has been somewhat below average because of the holidays. Why not start 1981 off right by attending our first meeting of the New Year and also making a resolution (and keeping it) to attend every meeting of Kiwanis that you possibly can? If you need make ups you can get them by attending Board meetings also.

Welfare Report Just heard that President Steveley has been in the hospital during the holidays. Here's hoping he's feeling much better and will be back at the helm on Wednesday.

Don't forget to put Saturday March 28 down on your calendar. That is the date for the 1981 Farmer's Banquet to be held at the Veteran's Coliseum.

Consider the Hammer:

It keeps its head.
It doesn't fly off the handle
It keeps pounding away.
It finds the point and drives it home.
It looks at the other side too, and often clinches the matter.
It makes mistakes, but then starts all over.
It is the only knocker in the world that does any good.
